If, at the hearing, the Mayor and Board adjudicate that said real property in its then condition is a menace to the public health, safety, and welfare of the community, and is, therefore, in need of cleaning, then: (a) if you do not do so yourself, the City of Batesville shall proceed to clean the property, by use of City of Batesville employees or by contract, by removing the messy and unsightly donation drop box located in the parking lot on the above described real property and the corresponding rubbish, abandoned personal property, and other debris adjacent to or near the donation drop box; (b) such adjudication will authorize the City of Batesville to re-enter the real property for purposes of cleaning for a period of one (1) year after the final adjudication without any further hearing if notice is posted on the real property and at City Hall or another place in the City of Batesville where such notices are generally posted at least seven (7) days before the real property is re-entered for cleaning.

If the City cleans the real property or has it cleaned, then after the real property has been cleaned, the Mayor and Board will adjudicate the actual cost of cleaning the real property and will also impose a penalty in an amount of One Thousand Five Hundred Dollars (\$1,500.00) or fifty percent (50%) of the actual cost of cleaning the real property, whichever is more. This cost and penalty may become a civil debt against you and/or, at the option of the Mayor and Board, an assessment against the real property.

If the Mayor and Board declares that the cost and penalty shall be collected as a civil debt against you, they may authorize the institution of a lawsuit against you for the cost and any penalty plus court costs, reasonable attorney's fees, and interest from the date that the real property was cleaned.

If the Mayor and Board declares that the cost and penalty shall be collected as an assessment against the real property, then the assessment shall be a lien against the real property identified above and may be enrolled in the Batesville Office of the Chancery Clerk of Panola County, Mississippi, as other judgments are enrolled. The lien against the real property shall be an encumbrance upon the real property and shall follow title to the real property. The assessment will be included with the municipal ad valorem taxes on the real property and payment of the assessment will be enforced in the same manner in which payment is enforced for municipal ad valorem taxes on the real property. The assessment levied shall become delinquent at the same time municipal ad valorem taxes become delinquent.

These proceedings are instituted by the Mayor and Board pursuant to Section 21-19-11 of the Mississippi Code of 1972, as amended. All decisions rendered by the Mayor and Board of Aldermen pursuant to this Section may be appealed in the same manner as other appeals from municipal boards or courts are taken.
