All Components must be inspected prior to disposing of packaging materials, with packing materials to be maintained if there is a claim for damage during shipping.
12. Digital Ally will not be liable to Customer for any loss, damage, delay, or failure of delivery resulting from causes that are beyond Digital Ally's reasonable control, including those delays arising from product manufacture and shipping (each, a "force majeure").
13. During the Term, Customer will not be liable for any cost of repairs or replacement of the Equipment pursuant to the Warranty, unless repairs or the need to replace the Equipment is a result of abuse, accident, unauthorized use, or destruction while in the possession of the Customer.
14. Customer assumes, and will bear all risk of loss or damage to the Components from the date of delivery.
